Key HQP Learnings from 3 NCEs

- 1. Develop programs aligned with goals and desired outcomes based on needs assessment and gaps**
- 2. Fully integrate trainees & young professionals into network activities, incl. governance, management, cttee's**
- 3. Engage Supervisors and student ambassadors**
- 4. Maximize opportunities for networking and mentorship**
- 5. Invest in undergraduate training to foster interest in research**
- 6. Evaluate impact & eliminate non-differentiated lower value opportunities with low impact**
- 7. Uptake of programs takes long-range planning on behalf of the trainees and their supervisors – communicate!**
