

FARP Impact: changes in policy, practice and lived experience

Planting the Seed

“I felt like 1,000 bricks were lifted off my shoulders.”

Jayden and Joyce Hamelin – client, Fetal Alcohol Resource Program FARP

Seedlings are sown in Western Canada

Propagation

$$\underbrace{(\$660\text{K} + \$2.1\text{M} + \$750\text{K})}_{\text{donor support stakeholder support foundation support}} - \underbrace{\$50\text{K}}_{\text{initial investment}} / \underbrace{\$50\text{K}}_{\text{initial investment}} = \text{6,920\% ROI}$$

**Terroir.
Engage Partners in Cultivation and Distribution.
Attract Investment.
Scale.
Repeat.**
