

# Governance

**Oversight**

**Financial Stewardship**

**Advice**

**Regulatory Compliance**

**Strategy**

“Always focus on the front windshield not the rear view mirror.”

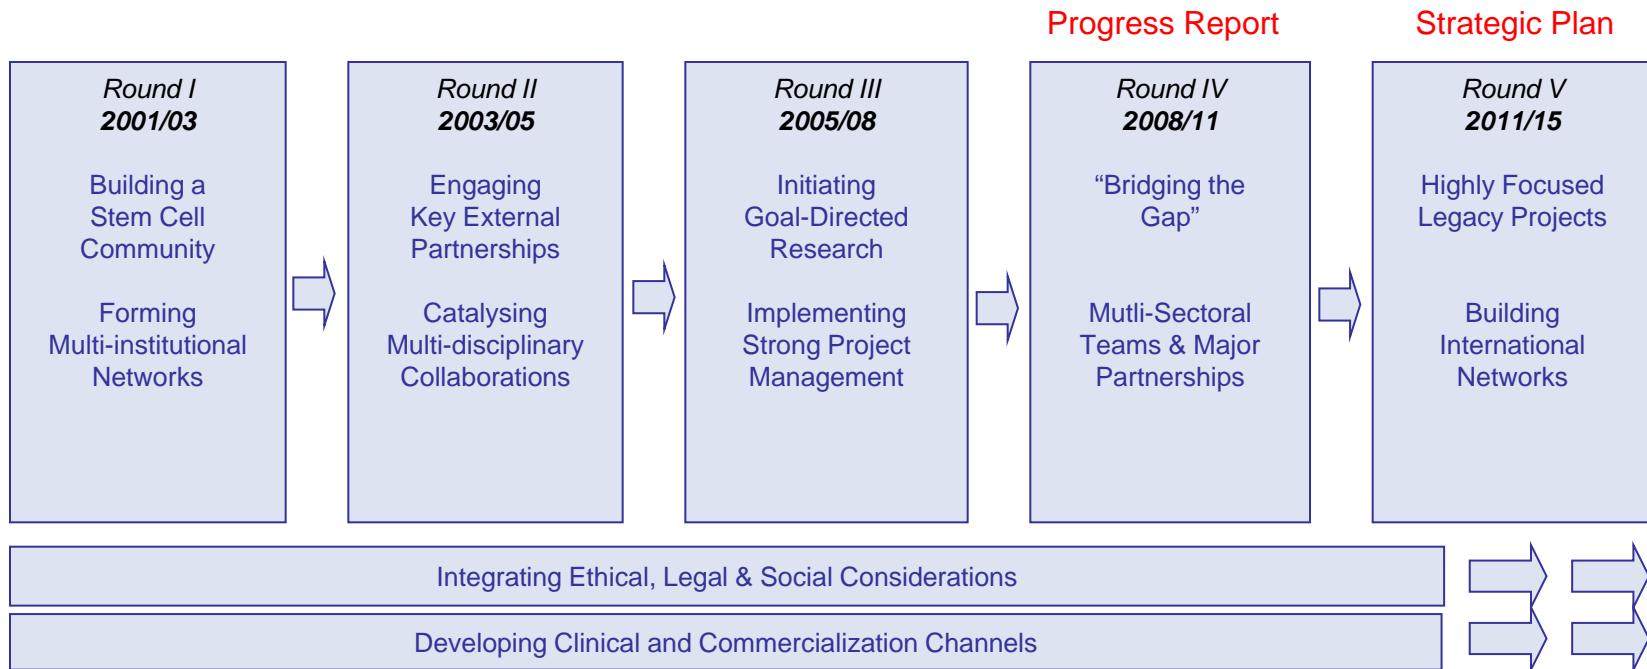

Colin Powell

“You’ve got to think about big things when you are doing small things.”

Alvin Toffler

# Strategic Direction

# Legacy Post-2015

## Tangible, measurable

- ✓ 15 ongoing clinical trials
- ✓ 12 start-ups
- ✓ 1,800+ trained HQP
- ✓ self-sustaining AGM & courses

## Intangible, fundamental

- ✓ Legacy research networks
- ✓ Legacy partnerships
- ✓ Legacy relationships
- ✓ Highly collaborative culture

## New organisations & system capacity

- ✓ Canadian Stem Cell Strategy
- ✓ Legacy resource for patient support, public engagement & research advocacy

- ✓ Ongoing commercialisation infrastructure

**CellCAN**

- ✓ Consolidated operations for cell-based clinical trials

# Some Lessons learned

- **Establish trust early**
- **Cultural change is difficult**
- **Some failure can be constructive**
- **Focus early on legacy**

“However beautiful the strategy, you should occasionally look at the results.”

Winston Churchill
