Consent to Disclose

By submitting this application or by accepting funding from CIHR, NSERC and/or SSHRC, I (Lead Applicant) understand that maintaining public trust in the integrity of researchers is fundamental to building a knowledge-based society and I affirm that I have read and I agree to respect all of the policies of these agencies that are relevant to my research, including the Tri-Agency Framework: Responsible Conduct of Research (<http://www.rcr.ethics.gc.ca/eng/policy-politique/framework-cadre/>). In cases of a serious breach of agency policy, the agency may publicly disclose my name, the nature of the breach, the institution where I was employed at the time of the breach and the institution where I am currently employed. I accept this as a condition of applying for, or receiving, agency funding and I consent to such disclosure.

I agree

The Lead Applicant must agree with the disclosure agreement above in order to participate in the application.

I disagree

Identification of the Not-For-Profit Corporation

Section 3 - Vision & Mission (1,500 characters maximum, including spaces)

Section 4 - Research Priority Areas

Select the priority area(s) listed below that apply to the proposed network:

- Management, business or finance
- Information and communications technologies
- Health and related life sciences and technologies
- Natural resources and energy
- Environmental science and technologies
- Other (Describe below)

Explain how network activities relate to the priority area(s) selected. If "other" is selected, explain how the network aligns with broader Government of Canada priorities. (1,500 characters maximum, including spaces)
