PART 5: SIGNATURES OF ACADEMIC PARTICIPANTS, Section 12 - Signatures of Academic Network Investigators

Complete a table for each participating academic institution.

For academic participants: I understand the meaning of the signature as a participant to the Network, as cited in the Appendix A of the 2014 BL-NCE New Competition Full Application Guide. Moreover, by participating in a Network funded by CIHR, NSERC and/or SSHRC, I understand that maintaining public trust in the integrity of researchers is fundamental to building a knowledge-based society and I affirm that I have read and I agree to respect all the policies of these agencies that are relevant to the Network's research, including the Tri-Agency Framework: Responsible Conduct of Research http://www.rcr.ethics.gc.ca/eng/policy-politique/framework-cadre/. In cases of a serious breach of agency policy for which I am responsible, the agency may publicly disclose my name, the nature of the breach, the institution where I was employed at the time of the breach and the institution where I am currently employed. I accept this as a condition of participating in the Network or receiving funding, and I consent to such disclosure. Only those that agree to this disclosure can participate in this application.
